

WORLD WAR 3 OF A NEW KIND IMMINENT!

Sponsorship manifest letter

Join the battle for a prosperous and brighter future!

Sponsors who accept to join this cause must:

- ⤴ have “incorruptible” skills and values
- ⤴ bring contribution, make products or services available
- ⤴ support the movement with their skills.

Benefits for sponsors: gaining in visibility, worldwide media coverage, business leads.

The movement is initiated by a group of individuals and under the leadership of Dan Low head of World Education.

Your company/organization can join too. Financial contributions are welcomed, however, the use of your services, skills and technology to declare WW3 to put the “world back on an optimistic track”, is equally welcomed.

The battle will proceed as follows:

- ⤴ media blasting – contacting all journalists and media
- ⤴ publication in the interested worldwide media of a “Letter to the Next President of the United States”
- ⤴ sending this letter to the White House.

At the end of the letter, the sponsor list will appear – incorruptible value supporters of a new world trend towards greater prosperity and well-being.

Current sponsors include:

Main sponsor: World Education
