Best regards,

Associate Director
WORLD EDUCATION FRANCE

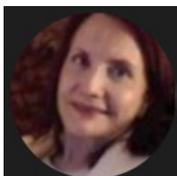

On top of this you can:

- Stop negative thoughts **instantly** – with the snap of your fingers
- Trigger feelings and emotions that make you feel good at will
- Save time and energy by changing psychological states and focus
- Know your real objective in life by heading in the right direction
- Save yourself pain, pressure, stress, and disappointment
- Feel good with close-ones, friends, and strangers
- Update perceptions by creating and testing active illusions
- Control all difficult situations by mastering passive illusions
- Be the producer, director, and actor of our own life
- Banish all fears of rejection, failures, uneasiness or negativity
- Feel innerly confident **with everyone you meet**
- Be stable and solid as a mountain

And attain your objectives – with no stress and zero pressure.

Dr. Dorothy M. Neddermeyer
Founder & CEO, GENESIS Consultants

« Awesome tools and techniques. Yes, it really is that simple. Even if you have read all the books, taken workshops, counseling, Dan's program delivers profound and usable techniques and strategies like you've never heard before. »

Alexander Kopriwa
Vice-President, DATONIX

« I've known Dan since 2005 when he was Chief Coordinator of the Management Group at an international networking association of professionals and alumni of major business schools. And as Vice-President of DATONIX, I can't but recommend Dan. He can move corporate mountains, open minds towards a brighter future and discover new horizons for investors, leaders and company personnel. »

Dr. Philippe Scotto Received the Nobel Peace Prize 2005 with the Intl. Atomic Energy Agency
President & Founder, La Taureau Corporation

« I consider the tools/methodology that you have developed are probably some of the most powerful tools that I have ever seen... What you have underlined is fundamental not only for each human being but also for our future. »
