- Have you ever felt like approaching a stranger you fancy only to feel your heart thumping?
- Have you ever been frustrated not getting what you desire?
- Did you notice how angry you are when someone wrongly accuses you of doing something?
- Did you know that we are harassed by invisible Monkeys and Gorillas 24/7?
- Did you know that 99% of people do not have a psychological firewall to protect their brains from negative attacks?
- According to WHO, over 264,000,000 people are suffering from depression. Does it surprise you?
- Did you know: on average one person dies by suicide every 40 seconds somewhere in the world?
- Do you know that you can prevent all kinds of abusive attacks from aggressive people?
- Are you aware that wars are launched by very small groups of insecure individuals controlled by Gorillas?

- Are you able to stop fear or intense pressure with a snap of your fingers?
- Was there ever a time when your world got turned upside down, and you felt powerless?
- Did you know that you could access simple, powerful tools even a 7-year-old child could understand and apply?

Unique tools, that you will find nowhere else.

All the malfunctioning in companies, families and our society can be linked directly or indirectly to the invisible Monkeys and Gorillas.

In this e-book, you will discover who they are and how to deal with them. With tools and exercises designed to help master adverse situations, maximize your potential – and feel good every day!
