**But do not worry!** Join us in triggering one billion happy faces as we go through unprecedented times ahead navigating the unknown!

We are happy to announce that we have unique, powerful tools and techniques to help you sail through the current economic, social and political storms.

**Give Peace & Happiness A Chance !**

And prove to yourself, your loved ones, and colleagues that these simple-rapid-effective tools work – backed by more than 80 years' combined experiences.

You may access these tools now – if you join us to help trigger one billion happy faces in our unique event transmitted worldwide through live streaming:

A two-hour conference, hosted by **Elaine Kibaro** and **Dan Low**, during which you will feel:

- real positive and elated ... with a smile on your face!
- the real power in your hands and heads
- confident in creating a better and brighter future for all
- enthusiastic about what you see and hear.

**In this conference, you will also discover high-impact, unheard of tools that permit to:**

**Generate enough energy and collective power to move corporate mountains**

**Utilize 100% of your company's most important assets: time and energy**

**Help each individual become a corporate warrior: solid and balanced**

**Get your goal or perspective right. A wrong perspective will lead to disaster**

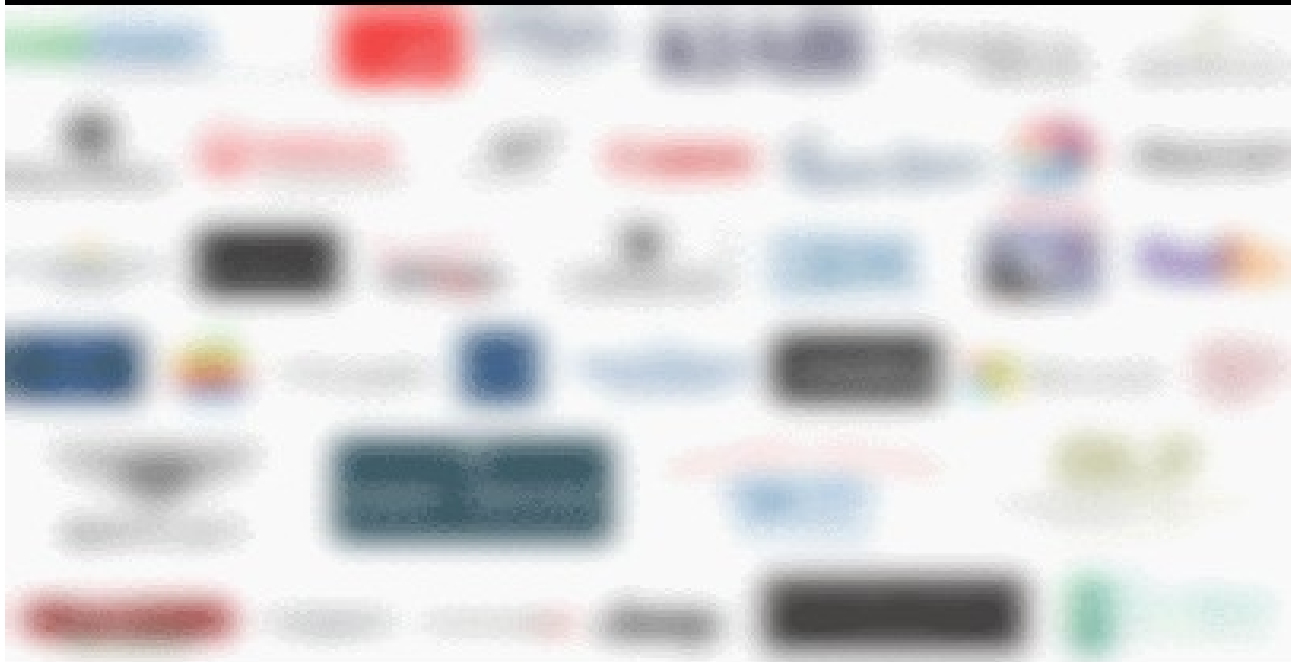

**Turn your workplace into a vibrant, enthusiastic, and motivating environment**

**Spectacularly increase your bottom line and the well-being of your people.**

We need other Keynote Speakers, Co-Sponsors, Direct Marketing Agencies to join us on this massive worldwide initiative to bring peace and happiness to us all.
